Skrillex: a happy birthday on the Beach

Skrillex

Superstar DJ **Skrillex** celebrated his 28th birthday Thursday at Bodega Taqueria y Tequila. The DJ, clad in all black, was joined by DJ/producer **Diplo** — in all white — and came with three "scantily clad ladies," says our snitch. The staff presented Skrillex with birthday doughnuts, and the group sang happy birthday. The DJs spent the rest of the night sipping signature Bodega cocktails and dancing until the wee hours. The celebration continued with Diplo and dinner Friday at Prime 112.

Shark Tank's **Kevin O'Leary** was seen celebrating a pal's birthday Thursday at Bagatelle Miami Beach. Looking "Miami festive" in a black button-down shirt, white jeans and red moccasins, the group of seven started with 500 grams of Osetra Caviar ($6,000!) and enjoyed some surf and turf and preordered chocolate cake. The group danced and left around 1 a.m.

Rose

Argentine pianist **Raul di Blasio** was recently seen supping at Caffe Abbracci. **Alexander Delgado**, lead singer of Gente de Zona, was spotted Friday dancing on his VIP table at Mokai after sharing a bottle of tequila with owner **Roman Jones**.

Delgado

San Diego Padres star **Jon Jay** was seen Friday checking out Coconut Grove restaurant Ariete, the new project by Jay's high school friends SideBar owner **Jason Odio** and Cyprus Room alum Chef **Michael Beltran**.

Spike, Jada: Boycott Oscars because it lacks 'flava'

Calls for a boycott of the Academy Awards are growing over the Oscars' second straight year of mostly white nominees. **Spike Lee** and **Jada Pinkett Smith** each said Monday that they will not attend this year's ceremony.

In a lengthy Instagram post, Lee said he "cannot support" the "lily white" Oscars. Noting that he was writing on Martin Luther King Jr. Day, Lee said he was fed up: "Forty white actors in two years and no flava at all," he wrote.

In a video message on Facebook, Pinkett Smith also said she wouldn't attend or watch the Oscars in February. Pinkett Smith, whose husband **Will Smith** wasn't nominated for his performance in the NFL head trauma drama *Concussion*, said "begging for acknowledgment, or even asking, diminishes dignity."

TODAY'S HIGHLIGHTS

PRIMETIME

8 PM (4) NCIS Rocky Carroll — alias this show's Vance — directed the new episode "Deja Vu," which links a sailor's murder to the renewed prominence of a global human-trafficking operation. The victim was about to offer related testimony, which immediately establishes a motive for the killing. A power-canceling storm gives McGee (Sean Murray) hope of finding shelter with a colleague. Mark Harmon, Michael Weatherly, Pauley Perrette and David McCallum also star.

Chris Evans is featured in "Marvel's Captain America: 75 Heroic Years" on ABC.

8 PM (6) New Girl Jess (Zooey Deschanel) couldn't be happier about being summoned for jury duty — until it conflicts with her shot at a potential promotion at work — in a new episode appropriately titled "Jury Duty." Nick (Jake Johnson) decides he's had it with Cece's (Hannah Simone) lack of tidiness in the loft, but curing it is another matter. John Cho ("Selfie") and Curtis Armstrong ("Supernatural") guest star. Max Greenfield and Lamorne Morris also star.

8 PM (10) Marvel's Captain America: 75 Heroic Years One of the most iconic characters in comics has been around a long time, and this new special salutes that run by showing how Steve Rogers and his shield-toting alter ego have evolved over the years. Chris Evans, who plays the part in the current Marvel movies, is among the interviewees here.

8 PM (ESQTV) Team Ninja Warrior Fans of "American Ninja Warrior" are almost sure to enjoy this spinoff, in which the brutally demanding obstacle course — which requires challengers to defy gravity, physics and their own deep-seated phobias — has been taken to a whole new level to accommodate two players.

8 PM (TRAV) Planet Primetime Self-confessed pop culture and entertainment addict Karla Cavalli hosts this new series that follows her as she travels the globe to explore some of the world's most off-the-wall TV shows and what they say about their home culture. The series premiere takes her to Japan, where the country's rigidly structured society seems wildly at odds with its mania for completely over-the-top physical comedy. Another new episode immediately follows.
